Web presentation Cristianolm 01/21/1996 B / B1

## Profile

Academically, I have a degree in "Geography and Regional Planning", Master in "Territory Management with specialization in Remote Sensing and Geographic Information Systems" and some experience in cartographic production (in non-curricular internship).
Finally, in addition to what was pointed out above, due to the pandemic period of COVID-19, I also acquired competence as a web programmer.

## Professional Experience

**Temporary collaboration,** *The USE Concept, Lda.* 12/2019 – 03/2020
